This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Federal Acquisition Regulation (FAR) Subpart 12.6 as supplemented with additional information included in this notice. This is issued as Request for Quotations (RFQ) SP441007Q1006 for two display cases, including installation. This announcement constitutes the only solicitation that will be issued; quotes are now being requested. The Defense Reutilization and Marketing Service (DRMS) intends to enter into a firm-fixed price contract. This announcement is published as a TOTAL SMALL BUSINESS SET-ASIDE action per FAR 52.219-1 and 52.219-6. The applicable North American Industry Classification System (NAICS) code is 337215. The small business size standard is 500 employees. This award will be Best Value, based upon technical capability, installation timeframe, and price. The Government reserves the right to award to a higher priced firm who provides more technically capable display cases and/or a more advantageous installation timeframe. Bid structure shall be by Contract Line Item Number (CLIN).

CLIN 0001 shall be for one (1) corner display case, similar to the above picture, found at <http://homepages.which.net/~rex/bourne/photos/brmtrophies1.jpg>, with the following requirements:

Outside specifications:

- a. Case leg “a” shall measure 108” wide from left to right, 92” high and 22” deep.
- b. Case leg “b”, shall extend forward (toward the viewer) from the rear of the right corner of “a” by 66” and shall also be 92” high and 22” deep.
- c. The ends of the case (left side of leg “a” and right side of leg “b”) shall be rounded.
- d. The case shall be made of oak or an oak colored laminated material to support the glass or other transparent material.
- e. The doors on the display case will include locks

f. The corner of the case shall have an angled, transparent door

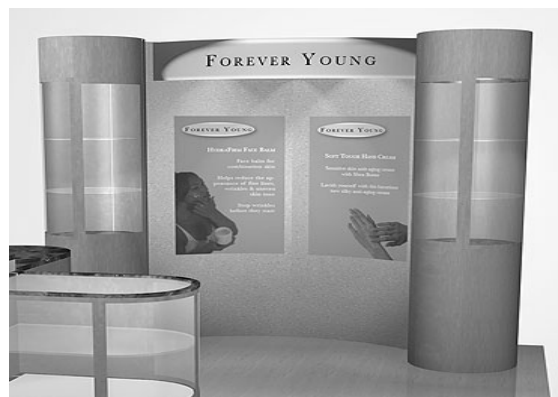

Inside specifications:

a. There shall be a minimum of 4 transparent shelves from top to bottom. Shelving shall run the entire width of both legs of the display case.

b. It will be possible to adjust the height of the shelves, with a minimum of 20 different possible heights per display shelf column.

c. The internal rear of the display case shall have a reflective surface

d. There shall be internal lighting in the ceiling of the display case.

CLIN 0002 shall be for one display unit, similar to the above picture, found at: <http://www.nimlok-philadelphia.com/P2/DesignPortfolio.aspx?page=design%20portfolio&start=12>, with two cylindrical display cases on each end of a wall/board, with the following requirements:

a. The board shall be 92" high, and approximately 10' wide.

b. The board shall be made of oak or an oak colored laminated material.

c. Along the entire width of the board, measuring 36" from the floor to 12" from the top of the display, there shall be an off-white fabric covering.

d. The fabric covering shall allow items to be attached using Velcro.

e. The cylindrical cases shall be made of the same material as the board, except for the height areas of the fabric covering. The height areas of the fabric covering shall be display cases.

f. The display cases shall have 2 adjustable shelves, and a mirrored background.

g. There shall be internal lighting in the ceiling of each display case.

h. The display case doors shall include locks.

i. The top 12” of the board shall be a sign, with the words “Defense Reutilization and Marketing Service” in black. The words shall be in a single line across the center of the top 12” of the board, in letters no less than one inch tall.

j. The cylindrical cases shall be 24” in diameter.

CLIN 0003 shall be for building/installation of display cases on site at the HDI Federal Center, 74 Washington Ave N, Battle Creek, MI 49017. Also include the amount of time after receipt of order when the installation will be completed.

CLIN 0004 shall be for any shipping charges.
